AUTINT

We will prepare you!

Commanding Officer

On behalf of the staff and instructors, welcome to the Austrian Armed Forces International Centre (AUTINT). We are sure that you will find the course you are about to take professionally rewarding.

The AUTINT is a competence centre for P(S)O, and since 1999 it has been a PfP Training & Education Centre (PTEC). It conducts operations preparation courses and follow-ups for P(S)Os, as well as for humanitarian and disaster relief operations.

The Austrian Armed Forces International Centre is committed to provide the best possible training environment and contributes to help developing closer relations between partner nations and other countries.

Your comments regarding the course content will ultimately benefit future participants. At the end of the course you will be in the best position to provide us with your feedback. Therefore, we encourage you to devote the necessary time and energy to the course evaluation and follow-up surveys. Continued effectiveness of our training depends on it.

I wish you good luck and hope you will enjoy your stay in Austria.

Claus AMON MSD
Colonel
Commanding Officer

GENERAL INFORMATION

Since 1960, the Austrian Armed Forces (AAF) have gained 48 years of experience in Crisis Response Operations (CRO), Peace (Support) Operations (P(S)O), with a participation of more than 80,000 Austrian troops in numerous missions all over the world. For that purpose our soldiers undergo specific training.

The AAF main focus within the enhanced Partnership for Peace (PfP) is to achieve interoperability, primarily for P(S)Os. The AAF have long-standing experience with multinational forces on battalion level.

The AAF participate in International EU-, NATO-, OSCE- and UN-led operations.

Main Tasks

This includes:

- Conducting P(S)O training with international participation and specific training assistance.
- Conducting major parts of mission-specific P(S)O training and preparation, „predeployment training“, including key personnel- and Force Integration Training (FIT).
- Administrating aptitude testing and deployment as well as acting as rotation centre for P(S)Os.
- Implementing P(S)O-specific personnel administration, national logistics and re-supply and providing for recreation and welfare.
- Providing Host Nation Support for NATO-led courses and workshops.

AUTINT-Military Expert on Mission Courses

As contribution to a comprehensive training approach, the “Military Experts on Mission” Courses of AUTINT include the training of Liaison-, CIMIC-, Field Humint-, and PSYOPS-elements. The students of the different modules attend the same lectures and exercises in the first week (basic module) and continue afterwards with their specialised training.
