SUCCESS THROUGH PERFORMANCE AND COMPETENCE!

Commanding Officer

As the commandant and on behalf of the staff and instructors, we would like to welcome you at the Austrian Armed Forces International Centre (AUTINT) in the future. We are committed to providing high quality courses meeting your requirements.

We are also convinced that you will find the course you are about to take professionally rewarding.

The AUTINT is a competence Centre for Peace (Support) Operations [P(S)O], and since 1999 it has been a PfP Training & Education Centre (PTEC). It conducts operations preparation courses and follow-ups for P(S)O's, as well as for humanitarian and disaster relief operations.

The Austrian Armed Forces International Centre is committed to provide a very high quality of training environment and contributes to help developing closer relations between partner nations, International Organizations and other countries.

We warmly invite applicants to participate in our available courses. This Course Guide offers an overview of our activities.

On behalf of the team AUTINT, we hope that you choose an interesting Course and we are looking forward meeting you for valuable time and enjoyable stay during Training in Austria!

Colonel Karl WOLF, MSD
Commanding Officer

GENERAL INFORMATION

Since 1960, the Austrian Armed Forces (AAF) have gained 60 years of experience in Crisis Response Operations (CRO), Peace (Support) Operations (P(S)O), with a participation Of More than 100,000 Austrian troops in numerous missions all over the world. For that purpose our soldiers undergo specific training.

The AAF main focus within the enhanced Partnership for Peace (PfP) is to achieve interoperability, primarily for P(S)Os. The AAF have long-standing experience with multinational forces on battalion level.

The AAF participate in International EU-, NATO-, OSCE- and UN-led missions.

Main Tasks

This includes:

- Conducting P(S)O training with international participation and specific training assistance.
- Conducting major parts of mission-specific P(S)O training and preparation, pre-deployment training, including key personnel- and Force Integration Training (FIT).
- Administrating aptitude testing and deployment as well as acting as rotation centre for P(S)Os.
- Implementing P(S)O-specific personnel administration, national logistics and re-supply and providing for recreation and welfare.
- Providing Host Nation Support for NATO-led courses and workshops.
- Providing specific training in the area of PSYOPS and CIMIC and implementing those branches into the AAF.

AUTINT Military Expert on Mission Courses

As contribution to a comprehensive training approach, the "Military Expert on Mission" courses of AUTINT include the training of Liaison-, CIMIC-, Field Humint-, and PSYOPS-elements. The students of the different modules attend the same lectures and exercises in the first week (basic module) and continue afterwards with their specialised training.
